

Declaration of Conformity

This product complies with the essential requirements of the Radio Equipment Directive (2014/53/EU).

Technical Specifications

Frequency Range: 2402MHz - 2480 MHz

Bluetooth version: V5

Standards Applied:

EN 300 328 V2.2.2 (Radio communication)

EN 301 489-1 V2.2.3,

EN 301 489-17 V3.2.4,

EN 55032:2015+A11:2020,

EN 55035:2017+A11:2020,

EN IEC 61000-3-2:2019+A1:2021,

EN 61000-3-3:2013+A2:2021+AC:2022,

(Electromagnetic compatibility)

ENIEC 62368-1:2020+A11:2020 (Safety of electronic equipment)

EN 62311:2010, EN 50665: 2017 (SAR)

Safety Information

Use this product in environments specified by the manufacturer. Avoid interference with medical devices and other wireless equipment.

- Do not expose the device to liquids or humidity as it may cause fire or electric shock.
- Avoid using the device in direct sunlight.
- Keep the indoor temperature between 15°C ~ 35°C for optimal performance.
- For your safety and well-being, please monitor your gaming time and take breaks as needed.
- This device is not suitable for children under 6 years old due to small accessories that may pose a choking hazard. Children under 13 must be accompanied by their parents while using this device.
- Do not disassemble the equipment yourself as doing so will void your warranty.
- Connect only with the factory-equipped power supply to ensure safe electricity usage and protect user rights and interests.
- Parts repair or replacement can only be carried out by officially authorized repair centers to maintain safety standards.
- The use of non-standard power supplies is prohibited even if the relevant voltage and other data match.
- Exposure of the equipment to heat sources is prohibited.
- Unplug the unit from the power cord and disconnect it if it is not to be used for a long period.

- If you observe any abnormalities, please stop using it immediately and seek assistance from MOZA officials or the authorized center relevant to your concern.
- Stay tuned to the MOZA website and public platform for the latest product information.
- This product has high force feedback strength and small parts. Children are prohibited from using it without adult guidance.
- Please keep the product away from loose clothing and easily entangled objects, such as hair, cables, or skirts.
- The products come ready to use straight out of the box with the latest firmware already installed. For more information on software updates, please visit our website.
- The product images and content above are for demonstration purposes and may not precisely match the external design (including but not limited to appearance, color, size) and content display (including but not limited to background, UI, and pictures) of the actual product. Please refer to the actual product for accurate information.
- The above test data are all from the MOZA test laboratory and may not reflect the actual performance factors due to usage conditions and environmental reasons.
- The information provided such as descriptions and images, is subject to change. MOZA may update the content to better reflect the performance and specifications of the actual product, ensuring more accurate information. Product availability may vary due to unforeseen issues during batch processing or delivery. In such cases, MOZA reserves the right to modify the descriptions and images as needed without prior notice. For the most up-to-date information, please refer to official channels.
